DATA PROCESSING SERVES TWO OBJECTIVES

The school data processing system serves two purposes. First of all, as a course it introduces the world of computers to students. Under the instruction of Mr. Larry Zabielski they work with the processing cycle. Although the school's equipment is a little outdated it offers the basics needed to understand the system.

The second purpose of the system is for the administration department. It serves many purposes within the school. A number of punch cards are designated to each student. Whenever a list of students are needed for a certain purpose the cards are processed through the system by the class and completed in final form as report cards, state attendance records, address labels, records cards, and a variety of other student lists.

MEDIA COURSE IN SECOND YEAR

The Media course offers to students an overview of the history and development of film, radio, and television, and their effect on the American society. During the course, students write, produce, and direct their own radio and TV programs.

The students also get an opportunity to visit a local newspaper, radio station, and television station. They get a behind the scene look at programs actually being produced.

The course enables students to get a better understanding of how and why we communicate and the mass media in today's society.

AUDITORIUM MEETS NEW CODE

After a decade of continual use the Harwich High School auditorium was found to be lacking ventilation equipment required by the new state fire codes. Out of use last year, repairs were finally completed just in time for the senior play production this year and is now in full use.

CAPE AND ISLANDS CHAMPS AGAIN!!

The Harwich girl's field hockey team completed another season as the undefeated Cape and Islands Field Hockey Champions. Harwich fielded an awesome offense which scored 73 goals in fourteen league games. Juniors Pam Covert and Cindy Heap led the team and the league in scoring with 30 and 25 goals respectively. Senior Amy Macdonald was superb in goal, allowing a mere 5 goals during league play.

Six Harwich girls were named to the Cape and Islands All Star Team— seniors Karen Dunford and Amy Macdonald, along with juniors Pam Covert, Debbie Dolan, Kari Dolan and Cindy Heap. Two of the girls were named to the Boston Globe All-Star Team - Amy Macdonald and Cindy Heap.

The Team advanced to the state tournament where they won the first game against Scituate 2 - 1. In the second game against Marshfield, they played well but lost 2 to 1.

Coach Poore described this year's team as "definitely the best skilled team I've ever had." With only two players on the squad graduating this year, Harwich should stay on top once again next year.

SOCCER TEAM HAS DISAPPOINTING SEASON

The varsity soccer team had its share of ups and downs this season with a record of 5, 6, l. It was a rebuilding season for coach Glenn Rose with only 11 returning lettermen.

Seniors Lennie Miranda, Andy Mason, George Ferreira, Peter Pena, Brad Chase, Mike McLCormick, Ken Fehrnstrom, and Mike Ross. Juniors Harry Vrountas, and Doug Martin, and one Sophomore Chris Fehrnstrom.

Many first year players were also a great asset to the young team. Seniors John Warren handling the Goaltending duties and speedy Steve Gonzales who was second in scoring on the team behind Lennie Miranda. Juniors Jay Gomes and Joe Caliri added a punch to the offense and the defense.

The team showed strong signs of being a championship team in the beginning of the season, but due to the injuries sustained during the season it made the task very difficult. Despite the hardships the team tried its best and never gave up.

Senior Lennie Miranda was voted to the Cape and Islands All-Star Team, having been the teams high scorer. Peter Pena received an award for best sportsmanship.

Two years ago, a new idea began in the athletic department, girls' soccer. The idea was met with enthusiasm by both Mr. Dunbar and the girls. Mr. Dunbar was the first coach. This year after many delays, the team finally met in October, under the new coach Mr. Tyldesly. Although the girls did not have much time or space to practice they made up for it with desire. The girls, Martina Stabins, Pam Gonsalves, Laurie Lombard, Debbi Bonnatt, Sally Moran, Leslie Vasoncellos, and Stephanie DeFerie the goalie played very well, and the future of the program looks very bright.

RIDERETTES TO ENTER STATE TOURNAMENT ONCE AGAIN

The girls' varsity basketball team is shooting for tournaments once again in 1978. With returning seniors Amy Macdonald, Susan Kozar, Cindy Reynolds, and Charlene "Chuckie" Peterson the team has an abundance of basketball skills. Rounding out the team are juniors Kari Dolan, Cindy Heap, Laura McCarthy, Dannette Hathaway, Mary Blute, Laurie Lombard, Debbie Bonnatt, and sophomore Adrienne Foote.

The girls are off to one of their best seasons ever with the strenuous workouts and coaching of Larry "Mr. Z" Zabielski. These practices have resulted in excellent dribbling, rebounding, passing and shooting skills on the basketball court. The team has the spirit of champions off the floor as well.

BOYS' BASKETBALL TEAM SHOOTS FOR SECOND STRAIGHT CAPE & ISLANDS CHAMPIONSHIP

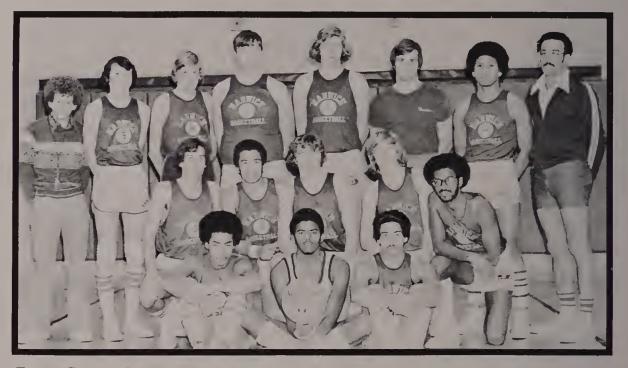

The 1977-1978 Harwich High Boys' Varsity Basket-ball Team started the season with high hopes of repeating as champions of the Cape and Islands League. The boys had the personnel to do it, but the desire to win was lacking in some crucial games. The team was anything but consistent. They were able to defeat league power Nantucket early in the season but were also one of the few teams in the league to lose to Chatham. At home

they were able to beat Nauset in the last few seconds of the game. But when they travelled to Nauset they lost by more than 40 points.

The team played a very challenging schedule, playing six non-league games including Division III State South Champions, Wareham. As the Cape and Islands League goes, it is very well balanced.

Returning varsity members were Lenny Miranda, Frank Eldredge, Craig Rose, Ken Freidman, Peter Pena, Brad Chase, and Mike Le-Duc. New additions to the team were seniors Steve Gonzales, Richard Barton, David Fernandes and Chip Nealy. Juniors included Chuck Blackmore, Paul Godfrey, Victor Drozelle, and Jay Gomes. Lenny Miranda was elected team captain. He and Mike LeDuc were high scorers for the season.

HARWICH HOCKEY HAS WINNING SEASON

The 1977 - 1978 Harwich High School hockey team enjoyed its best season ever under the reigns of coach Bob Brackett. The veteran team, led by Capt. Andy Mason, consisted of eight Seniors all of which had at least two years experience. Mason enjoyed his best season leading the team in goals scored and assists with over 30 combined points and second overall in the Cape and Islands league. Other Seniors include veteran center Jim Thibert with a total of 12 points to date and his lineman Tom Howard who also had a very good season. Second line saw George Ferreira, a tough right winger who earned over 21 points for the season. Mason centered the second line for the Harwich mentor. The third line consisted of senior Greg Ballam in his third year of hockey, and John Connell, a transfer from the tech a year ago. The only Senior on the team who played defense was three-year veteran Mark Hammond who figured in many key plays this past season.

The goaltenders position for the team was filled by a pair of experienced lettermen, Senior John Warren who has played since his freshman year and John Reece in his third year of hockey.

The Harwich coach was quotted as saying "It's the best team I've had in my four years at Harwich."

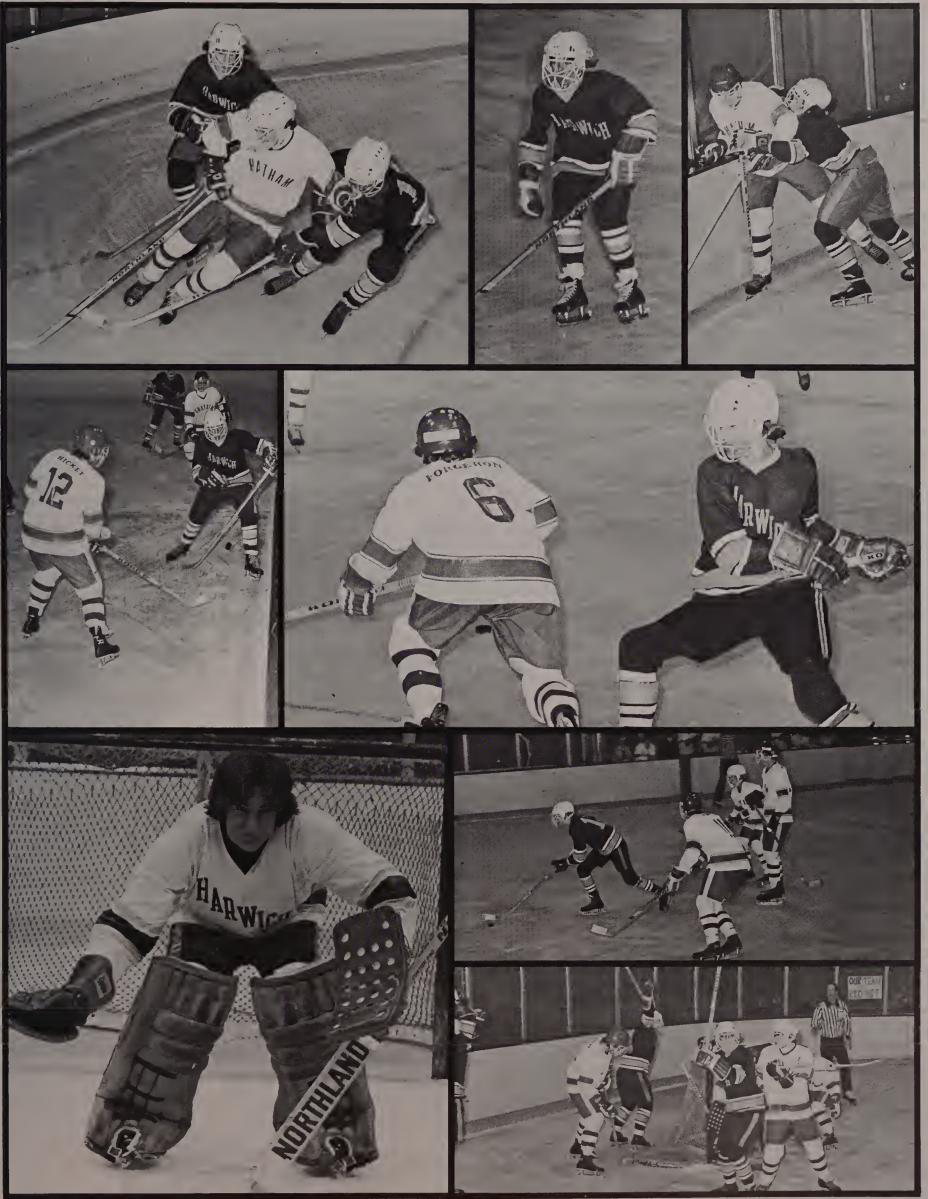

The team finished with its best record overall and went to the states for the first time ever. It was a really good season and the team is already looking forward to next years success in the league.

GIRLS SOFTBALL TEAM CONTINUES WINNING STREAK

The 1977 Harwich girls' softball team won their fifth straight Cape & Islands Championship. During the last six years, Cheryl Poore has led her teams to an impressive 78 wins and only 3 losses in league play.

The team played excellent ball throughout the season and would have been undefeated if they hadn't been upset by Sandwich in the last league game.

After completing a successful season with a 13 - 1 record, the girls advanced to the state tournament where they were ranked one of the top teams. They played their first game against Wellsley, and with an exciting comeback, won 7 - 6. The team did not play its usual game against Plymouth Carver having lost 6 - 2.

The 1978 softball team, with its many returning lettermen, looks like the team to beat.

The Harwich High School Girl's Track Team completed an undefeated (9-0-1) season on May twenty-fifth with a victory at the Cape and Islands championship held at Nauset.

Several Harwich girls set Cape and Islands (as well as Harwich) records at this very exciting meet. Records were set by: Nancy Bushey in 100 yard dash, Jayne thacher in the 220 as well as the high jump, Kim Gomes in the 440, Meg Foster the 880, Barbie Callahan in the high hurdles, and Leslie Vasconcellos in the javelin. Harwich's record setting performance by Jayne Thacher, Leslie Vasconcellos, Kim Gomes, and Meg Foster assured the girls of the championship. Jayne Thacher won the trophy as the meet's Most Valuable Performer. At the Awards Dinner at the end of the season Meg Foster was chosen as the team's Most Baluable Player.

Coach Ralph Burns' squad has an excellent chance to repeat as C&I's champs this year. Experience is provided by returning seniors Nancy Bushey, Kim Gomes, Barbie Callahan, Brenda Blakely, and Donna Burnham. They along with a fine corps of underclassmen should provide the team with the depth and balance needed for a championship season.

Coach Mangelinkx's 77 track team had another successful season, placing second in Cape and Islans competition. The final record was 5-2-1. It was the third consecutive year the boys' finished second in the league. From the opener with D-Y, in which the team defeated their foes by 10 points, throughout the season, hopes were high of taking the title. Once again Nauset was the dominant team beating us twice.

The team had many veterans and some good potential. Mid-way through the season "Bumpy" Gonsalves broke his foot. His contributions were missed in the 220, the relay and the shot put. Ed Galvin had an outstanding final season. He was praised in the papers and broke the record in the triple jump.

Juniors Ron Hubbard, J.G. Gomes, Tim Harrington, Rick Barton, Craig Rose, Peter, Rena, and Mike Mc-Cormick all had good seasons. They have worked hard and developed well for the 78 season.

BOYS TENNIS

The boys varsity tennis team completed a record of 3 wins and 9 losses last year. The past three years have primarily been building years for the team but with veteran seniors Andy Mason, Mike Barca, Mike Pina, Dan Callahan and the strong developing underclassmen; coach Steve Kot plans to have his first winning record at Harwich High. Harwich should pull through with one of the strongest teams in the league.

Tennis is growing in popularity in society as well as high school sports and should offer a great deal of enjoyment and competition for the players and spectators alike.

GIRLS TENNIS

The Girls' Varsity Tennis Team ended last year's season with a 9-4 record. The team, coached by Mr. Kirschner has been on the rise the last few years. They placed third in the Cape and Islands League last season.

Last year they played D-Y for the first time. Much to their surprise the girls beat them. The girls four losses came at the hands of Nauset, Martha's Vineyard, and Sandwich (twice).

The team lost two very good senirs last year but they are hopeful of a winning season with their returning lettermen and ney players.

VARSITY CHEERLEADERS THE SPIRIT OF '78

Last year the varsity baseball team had one of those "we should have done better" seasons. They certainly had the talent, but they just couldn't put everything together. The team's batting average was .306 which was on of the highest in the Cape and Islands League. Then why was their record only 7-7? The reason was that although they had the hitting a championship team needs they couldn't quite master their defense. Without the breaks and the good plays at the right time a good offense can't carry the team.

For having only an average season the team showed some outstanding statistics. Three players made the Cape and Islands top five. Dusty Eldredge, a Pitcher, had a 1.13 ERA, Mike Ross a pitcher & outfielder had a .440 batting average, and George Ferreira had a .400 batting average. Five players hit over .300: Tom DeMayo, Steve Gonzales, Harry Vrontaus, who led the team in RBI's Daryle Lopes, and Joe Gilmette. The stats made them look like a championship team, but that defense held them back.

This year the team is really psyched up for that championship and they can take it if they really want it. With Coach Ebbett's fine ability and the team's offensive power they should be able to blow any opponent right off the field.

AMERICAN FIELD SERVICE

H.H.S. GETS A NEW FORM OF STUDENT GOVERNMENT

This year Harwich High School developed a student council. A student council is a panel of students consisting of three representatives from grades nine through eleven and four representatives from grade twelve. The function of the student council is to conduct events to benefit all students or a public cause.

Harwich High School has not had a student council since the school year of 1974-1975. This year the student council advisors are Mr. Russell Noyes and Mr. Frederick Ebbett. The student council has three main officers: Donna DeFerie is the President, Ken Fehrnstrom is the Vice-President and Holly Campbell is the Secretary-Treasurer.

This year the Student Concil has organized a Toys for Tots program. A program for students to have their pictures taken with Santa Claus (Mr. Noyes) for the Cape Needy Fund. They have also been woridg on the problem of a smoking room so that the bathrooms will be clean for people who don't smoke. This has been a problem for many years at HHS. The solution they have come up with is to allow smoking in four of the rest rooms without any interference from the faculty and not allow it in the other four bathrooms. Let's hope this is a plan the school can live with.

The student council has done well although it it is difficult to get established in its first year.

We would like to take this space to thank our advisor Mr. Ralph Davis. Without whose continued help and support this book never could have been completed. He was always there when we needed help with the right answers and deserves much more credit than he is willing to accept.

SOUNDINGS STAFF

Organized in the spring of 1977 the staff of the '78 Soundings elected Dan Callahan and Lisa Heap coeditors, Sue Kozar was elected business manager. The staff then began the tedious and complicated task of organizing and coordinating the materials which would give an accurate picture of life at Harwich High.

This issue is the first to be published by the American Yearbook Co. A change which made it necessary for the staff to learn new techniques and procedures. We

found that a book such as ours requires the continuous support of the teachers, administration and the students alike. Had it not been for their support our success would not have been possible.

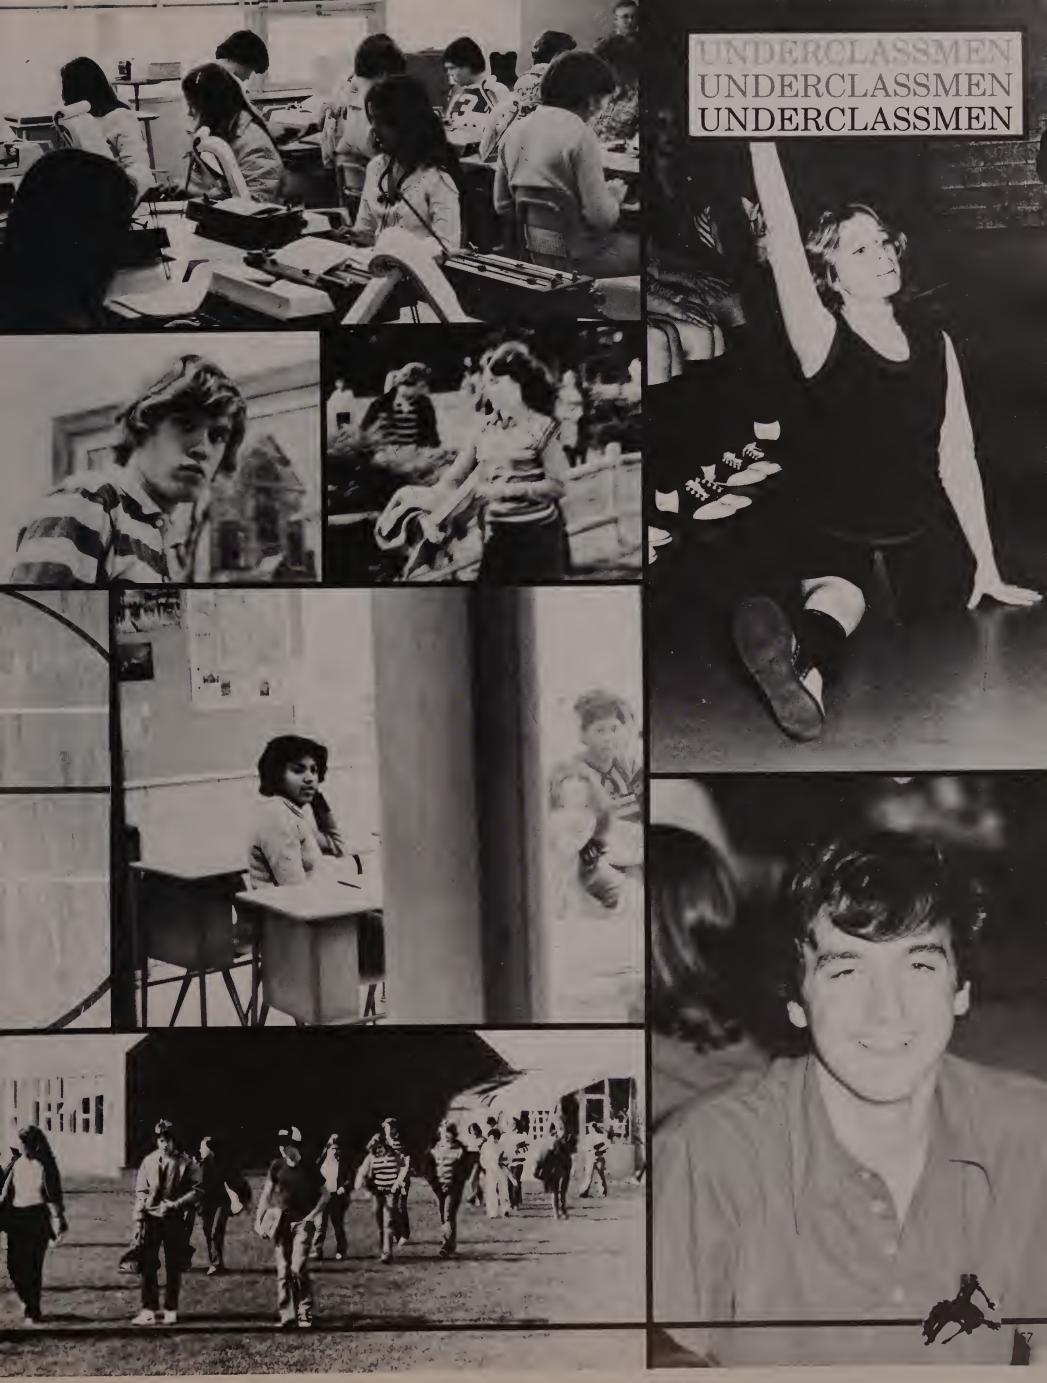

Some of us will long remember the hectic planning sessions, the layout problems and our many after school and weekend work sessions. The things we have learned and the experiences that we have had, feel will be of great benefit to us in the future.

It wasn't all fun, however, we had many problems, largely the result of our attempts to meet inflexible deadlines, in spite of spotted and out of focus photos, missed literary assignments and

> other difficulties which forced the cancellation of planned articles. We have, however, tried our best to overcome these setbacks. We hope we have succeeded, that is for you to judge.

MISS PATRICIA FARRELL

MR. DANIEL O'LEARY

Who among us can forget the hectic fund raising activities; the magazine drive when we were Freshmen, the candy sale in our Sophomore year, the tote bag sale as Juniors, and finally the infamous Christmas Tree Sale last December. For their patience, direction and guidance the class of '78 wishes to extend its sincere gratitude to Miss Farrell and Mr. O'-leary, our class advisors.

'78 BOTSCHAFTER AUS DEUTSCHLAND (AMBASSADOR FROM GERMANY)

The Class of '78 was very happy to have Rolf Iben as our AFS student this year. He comes from Heidenheim, a city in southern West Germany, located between Stuttgart and Munich. Heidenheim is a landlocked community of 50,000 surrounded by woods and hills.

Rolf has been living with the Wilkey family in West Harwich. He enjoys photography, skiing, bike riding, and formal dancing; especially the waltz. He played the cello in the school orchestra and was a member of the varsity soccer team. Rolf was also one of the photographers for the school newspaper and yearbook.

Basically good natured, Rolf made many new friends during his stay here. He exclaimed, "I like to be kept active all the time. I hate to be hanging around doing nothing."

Rolf came from a very different school system than ours. He would normally have been a junior in our American system but must return to Germany and complete three more years of school. Admission to German high schools is by competitive examination where only qualified students can advance.

When asked what he liked best about America Rolf answered, "I like the people in America because they are very open."

WYCHMERE HARBOR CLUB APRIL 29, 1977

Eagerly anticipated by all of us, our Junior Prom was the first major event for the class of 1978. Music was provided by The Great Estate and we ate and danced until midnight.

Followng the Prom there was a class party at Thompson's Field, complete with a bonfire. It was probably more crowded there than the Prom itself. For most of us, the night lasted long past sunrise the next day. The rest of the day was spent recuperating with some old and trusted friends (like Alka-Seltzer and Pepto-Bismol). Most of us will remember that night for many years to come.

"FOR THE LOVE OF YOU"

SENIOR PLAY A RECORD SUCCESS

The Senior Play under the direction of Mr. Tischler was a great success. This year's play was the biggest moneymaker ever to hit the Harwich stage.

Like the class before us, we were forced to have many of our practices in the High School Library. The Auditorium had been found to be a fire hazard, therefore it was unfit for use until the proper vents were installed.

Finally, after being promised several times that the Auditorium would be finished, the cast moved their practices from the crowded library to the spacious stage. As weeks passed the scenery grew from just a few folding chairs to a fully furnished room, thanks to generous donations from cooperative townspeople. Since there were so may people who helped to put on the play, there are too many to name. We would like to thank all those people who helped make our play the great success it was.

Our greatest appreciation and thanks go to Mr. and Mrs. Tischler for without whose help and direction this play, "George Washington Slept Here", would not have been possible.
